

## OUR VALUES

### INNOVATION

### COLLABORATION

### INCLUSIVITY

### NURTURE

### STABILITY

- We are always learning and growing
- We actively pursue new ideas that move our services forwards
- Our plans are led by youth voice and supported by insight

- We forge meaningful partnerships within our local area and beyond
- We create opportunities to share our specialist knowledge and expertise
- We are outward-facing to shape the wider picture of the borough

- We create spaces that are welcoming, safe and accessible
- We are homes away from home for young people
- We are flexible to meet the changing needs of our members

- We broaden horizons and support young people through life transitions
- Relationships between members and youth workers are built on trust and respect
- Our offer is fun, diverse and enriching

- We are visible and proactive organisations in the community
- Our work is sustainable, and the level of support consistent across generations
- We look both back on our history and forward to our future
